Mr. Michael Robinson, Executive Director
California Alliance for Families and Children
1380 Lead Hill Blvd., Suite 106
Roseville, California 95661

Dear Mr. Robinson,

I want to personally thank you and the California Alliance for Families and Children for your critical support in the passage and signing into Statute the Collaborative Family Law Bill, AB 402.

Your assistance in researching, drafting, witness identification, and support were invaluable in our legislative effort. The presence of the Alliance in Sacramento, advocating for a balanced California family law policy, has had a significant impact on the discussion of these issues in the Legislature.

Please keep up the good work. I look forward to working with you in the future as we continue to define the language in AB 402, and consider other related family law issues.

Sincerely,

A handwritten signature in blue ink that reads "Mervyn M. Dymally".
